Why Choose Us?

Working in the industry for more than three decades, we have been able to become a notable name in the industry. Our timely delivery services and competitive price structure has allowed us to carve a niche for ourselves in the market.

Our Products

Filtered Groundnut Oil

Groundnut oil, also known as peanut oil is a mild testing vegetable oil derived from peanuts. Groundnut oil is a kind of light yellow transparent edible oil with clear color and lecture, pleasant fragrance & good taste, is relatively easy to digest.

Benefits of Groundnut oil: Groundnut oil is a great source of vitamin E. It has also been linked to some health benefits, including reducing certain risk factors for heart disease and lowering blood sugar levels in people who have diabetes.

Cashew Nuts

The cashew tree produces a soft, shiny, and juicy fruit known as cashew apple which bears a single seeded nut in its bottom covered with a hard grey shell. This nut is the most valued product and is commonly consumed as snack or used in confectionery, baking & cooking.

Benefits of Cashew Nuts: Cashew Nuts are a good source of Vitamin K which helps in regulating blood calcium levels. Cashew nuts are also rich in antioxidants and have good fats, which are recommended for a healthy body. It Ensure smooth & shine of the hairs and healthy bones.

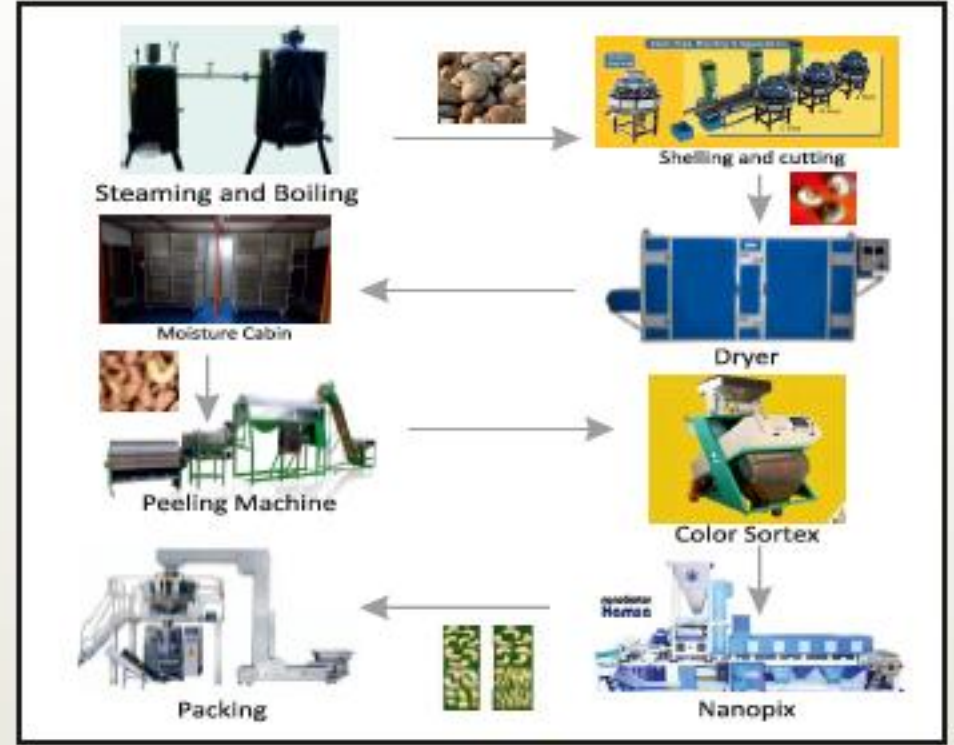

We are renowned into the market for our products supplies with the brand named as PURE DIAMOND
